

SLAT COURSES FALL 2009

Note: This list is intended as a guide to assist you in planning your schedule for Fall Semester 2009, but some changes are possible. If you are interested in courses that do not appear on the list, but are of relevance to your individual research interests, please consult with the SLAT Advisor, Dr. Janet Nicol (nicol@email.arizona.edu), and/or the chair of the relevant curriculum subcommittee to make sure that the courses fulfill SLAT requirements.

Please note that room numbers, times, and professors scheduled to teach courses are subject to change over the next four months, so please also check the schedule of classes as you plan your Fall schedule.

CORE REQUIREMENTS

Please note that classes listed in this section refer only to Core requirements. Further classes for the specializations are listed under their respective sections.

Proseminar (required of all new SLAT students; optional for continuing SLAT students)
